WEDDING MANAGEMENT

Our goal at Fairmont Jasper Park Lodge is to ensure your wedding is seamless and the celebration is unforgettable. Choosing Fairmont Jasper Park Lodge as your wedding destination makes planning effortless because everything you need is in one place. Once you have signed the contract for your wedding, you will be assigned a dedicated Wedding Specialist who will assist you with the coordination of items pertaining to the venue and hotel. This Wedding Specialist will ensure our banquet and kitchen operations are organized and prepared to execute your wedding flawlessly.

As we only execute the details organized directly with Fairmont Jasper Park Lodge, it is our recommendation that all weddings hire a professional Wedding Planner. It would be our pleasure to provide you a list of our local Wedding Planners. A Wedding Planner is an integral part of creating a well choreographed wedding experience. Their expertise in coordinating the finer details such as selecting a photographer, DJ, creating a wedding itinerary and setting up your décor will provide you and your family peace of mind and a day focused on celebrating. Wedding Planners are a mandatory requirement for all weddings of over 150 guests at Fairmont Jasper Park Lodge.

DEPOSIT AND CANCELLATION

Fairmont Jasper Park Lodge will require an advance deposit for the master account. This deposit will be either \$2,500 or 10% of your preliminary master account (based on ceremony and reception packages + the estimated \$125 per guest for food and beverage) depending on which amount is greater.

We have a deposit schedule throughout the year that is determined based on the size of the wedding and how far in advance you are booking. The entire estimated costs for your wedding will be taken in full 30 days prior to arrival.

Should it become necessary for you to cancel any and or all of the functions as listed in your program, we will be entitled to cancellation damages based on the room rentals and food and beverage minimums as outlined in your contract. There is a scale which determines the percentage of cancellation fee to apply based on the date canceled. We do allow one change of date without penalty providing the new space and date are available. The new date must fall within the same calendar year as the original date otherwise it will be deemed a cancellation and the cancellation schedule will apply.

ALBERTA MARRIAGE LAWS

All couples (including visitors) who get married in Alberta must purchase a Marriage License. The Marriage License can only be used in Alberta and is valid for ninety days from the date of purchase.

OBTAINING AN ALBERTA MARRIAGE LICENSE

Both applicants must appear before a Marriage License Issuer and provide proper identification.

Acceptable types of ID in order of preference are:

- Birth certificate
- Citizenship/immigration documents
- Valid passport
- Treaty Indian status card
- Baptism certificate
- Driver's License

The couple must both be 18 or older. If the couple is under 18, parental consent is required. Appropriate paperwork can be forwarded upon request. If either bride and groom has been previously married, proof of divorce or annulment must be given.

You will be asked to provide the following information:

- Full names of mother and father
- Birth places (town and province) of mother and father
- Religious denomination

It is also recommended that couples apply for a Marriage Certificate at the same time that they get their Marriage License. As the documents that are signed at the wedding are ceremonial only, most couples will find they require a marriage certificate at some point especially if they are from out of province or from another country. This marriage certificate is your only legal proof that the marriage has taken place and has been registered with Alberta Vital Statistics. This certificate will be forwarded to you in the mail once the marriage has been registered, generally within 4 - 6 weeks.

IMPORTANT INFORMATION

Two witnesses of at least 18 years of age are required for the ceremony. It is not necessary that the witnesses have prior knowledge of the couple being married. Fairmont Jasper Park Lodge is able to provide witnesses at a cost of \$75.00 per witness for their services.

Civil marriage ceremonies can be conducted at any location. Upon the granting of Royal Assent to the federal Civil Marriage Act, same-sex marriage is legal in Alberta as of July 20, 2005. Wedding Commissioners are appointed by the Alberta Government but are not salaried employees and are not subsidized. Rates may vary between Wedding Commissioners. Blood tests and waiting periods are not required for marriage in Alberta.
