

Fairmont
MOUNT KENYA SAFARI CLUB

ACTIVITY BROCHURE

THE FAIRMONT MOUNT KENYA SAFARI CLUB DREAM

Built almost a century ago by lovers, adventurers and Hollywood celebrities, this unique property in Kenya aims to celebrate the past and future of Kenya and to offer magic to its guests. Situated on the slopes of Africa's second highest peak, Mount Kenya, this Kenyan manor faces one of the most breathtaking views in Kenya.

Fairmont Mount Kenya Safari Club offers its guests a list of dream activities from golf to swimming, outdoor luxe dinners, climbing the highest peak in Kenya, observing mountain fauna such as leopards, elephants, gazelles, zebras and tracking the captivating endangered mountain bongo with our naturalists during day and night game drives.

Fairmont Mount Kenya Safari Club is the only place in Kenya dedicated to the protection of the marvelous fairy antelope, mountain bongo as well as other Mount Kenya endangered wildlife and flora through the breathtaking and lush Mount Kenya Wildlife Conservancy. During their stay, guests will have the privilege to observe the majestic bongos, within the conservancy as well as in a dedicated sanctuary, the very first and most admired sanctuary of Kenya.

THE ENCHANTED MOUNT KENYA WILDLIFE CONSERVANCY

Covering over 500 hectares of land, Mount Kenya Wildlife Conservancy is home to the critically endangered Mountain Bongo breeding and re-wilding program that began in earnest over two decades ago.

The Animal Orphanage and the Mountain Bongo breeding and re-wilding program are sustained through donations, entry fees, animal adoption programs, and sales from the animal orphanage gift shop.

We look forward to your support by visiting the Animal Orphanage located next to the main gate, participating in our Community Conservation Education program and indulging in our Mountain Bongo experiences.
