

Gracie's Story

It's a great pleasure for us to present Gracie, our Canine Ambassador. She was trained by the Canadian Guide Dogs for the Blind Association to be a guide dog. Due to her amazing kindness and incredible social skills and in partnership with the Canadian Guide Dogs for the Blind Association, we have found Gracie a new career at Fairmont Tremblant where she will be able to socialize constantly. Gracie is a Yellow Labrador Retriever; and was born in October 2006.

Visit the Concierge desk to reserve a walk with Gracie or for more information. (Please note that this program is offered to hotel registered guests only). Gracie is situated at the hotel lobby five (5) days a week and she would love to hear from you! You can email her at cmt.gracie@fairmont.com

In Partnership with the Canadian Guide Dogs for the Blind Association Donations accepted at the Concierge desk.
