

BOOKING YOUR SPA EXPERIENCE

We recommend that you book your spa appointments prior to arrival to ensure we can accommodate your scheduling requests. When booking services, please advise us of any health conditions, allergies or injuries that might affect your treatment. Patrons must be 16 years of age or older, or be accompanied by an adult in order to use the facilities.

CANCELLATION POLICY

If you must cancel or reschedule, we ask that you notify us 24 hours in advance in order to avoid being charged 100% of a scheduled appointment, program or service.

SPA ETIQUETTE

ARRIVE EARLY

We recommend that you arrive 15 minutes prior to your appointment to allow you to complete our consultation form and unwind. Please note that all treatments will end on time regardless of the start time.

RESPECT OTHER GUESTS

Please respect our peaceful ambiance as well as the comfort of all our guests by ensuring that all cell phones and/or electronic devices are set on vibrate or turned off.

We also ask that you refrain from applying perfume before your treatment.

SPA EXPERIENCE

Many of our treatments are geared toward easing a range of discomforts, while delivering intense skin care benefits.

Pregnant women should avoid treatments that involve pressure, aromatic oils, minerals and heat. However, many other treatments are quite beneficial in enhancing the pregnancy experience.

If you've booked an exfoliating treatment, we suggest that you skip shaving the day of the service. The salts used in the treatment may cause a bit of discomfort.

Our Spa Coordinators will assist you in creating your own spa experience; they will advise you about the various treatments and answer any questions you may have.

SPA ATTIRE

For your comfort, robes and slippers are provided during spa services. Undergarments or a bathing suit may be worn during treatments. Our therapists are trained in discreet draping techniques, ensuring your comfort and privacy.

Please do not bring jewellery or other valuables to The Spa. Some bath treatments have high mineral content and can discolour jewellery. Safety deposit boxes are available at the Front Desk.
