Pet Policy

We understand your pet is just as much a part of the family as other members, and we are delighted to provide some comforts of home while staying with us. Claremont Club & Spa is proud to be a pet-friendly resort and welcomes well-behaved pets of any size.

To ensure that all guests have an enjoyable stay while on the property, we require all pet parents to read and sign our [Pet Policy Disclaimer](#) upon arrival. ADA trained service dogs are welcome at Claremont Club and Spa at no additional cost; however, we kindly ask that you contact the hotel in advance of your stay.

California ADA allows people with disabilities to bring qualified, trained service dogs and qualified trained psychiatric service dogs, but not emotional support animals, to all public spaces. Due to health regulations, pets (excluding ADA-trained service dogs) are not allowed in any hotel restaurants, club, pools, or spa.

City of Berkeley bylaws requires all dogs must be kept on a leash.
