پروٹوک

Provok stands for one thing.

And it doesn't.

*Provok is a contradiction; it is a paradox.
It is duality itself.*

*Two floors, two concepts.
Two ambiances, two experiences.*

*An expansive mixology and culinary destination
where fire meets ice.*

*It is the journey – the experience of extraordinary elevation
from one into another.*

The transformation, the metamorphosis.

That is Provok.
