**Provok stands for one thing.**

**And it doesn't.**

*Provok is a contradiction; it is a paradox.  
It is duality itself.*

*Two floors, two concepts.  
Two ambiances, two experiences.*

*An expansive mixology and culinary destination  
where fire meets ice.*

*It is the journey – the experience of extraordinary elevation  
from one into another.*

*The transformation, the metamorphosis.*

**That is Provok.**
