FOOTLOOSE & PLASTIC-FREE

We are proud to have eliminated all non-essential single-use plastics, including in our public spaces, guest rooms, dining venues and spa.

A STEP IN THE RIGHT DIRECTION

In 2018, we began working with GreenStep Solutions Inc. through an extensive audit of all single-use plastics within our hotel. GreenStep awarded us the third-party verifier's first Single-Use Plastic Free Certification within the North American hospitality sector.

RETHINKING THE PRODUCTS AROUND US

These are just some of the positive changes we have made to your guest experience:

36,000 plastic key cards used annually have been replaced with reusable FSC Certified cherry wood.

Approximately 1,600 kilograms (198,700) small shampoo and conditioner bottles have been replaced with refillable bottles.

600 kilograms of plastic water bottles used per year have been replaced with recyclable versions.

12,500 plastic laundry bags used per year have been replaced with a reusable cloth alternative.

EASY DEPARTURE

You will be emailed the morning of your departure with your complete guest folio. Alternatively, you can view your account through the guest room television by selecting 'Statement Checkout' from the menu.

For all other inquiries, please text 604 800 7880 and someone from our team will be happy to assist. Stay up to date with all of Fairmont Pacific Rim's happenings at fairmontpacificrim.com.
