REIGN

THE CITY'S DINING ROOM

Set in the heart of Toronto's châteaux landmark, REIGN is a tribute to Canada and the natural wilderness that surrounds our bustling city. Designed by the world-renowned Rockwell Group, the interiors of REIGN's dining rooms are highlighted by gold-plated accents, and adorned in Canadian Walnut with crushed velvet finishes. Setting an impressive scene, expansive murals of lush gardens set in countryside estates decorate the visual scape.

A showcase of Canada's vast landscape, REIGN's culinary team crafts stately and hearty signature dishes which are paired with an exclusive wine list curated by Sommelier, Steven Karataglidis
