In addition to our published menu suggestions our culinary, catering and events teams are specialists in creating customized solutions. Let your imagination be your guide knowing that we understand special requests, budget wants and dietary requirements.

We are committed to all of our guest needs including those who have special dietary restrictions (such as a food allergy, intolerance or other medically restricted diet) and are also aware that some may also adhere to a vegetarian or vegan diet. Our goal is to deliver a memorable experience through culinary skill.

Our menus are subject to change and ingredients may vary based on seasonality or availability.

All pricing is guaranteed ninety (90) days prior to your event date. Thereupon prices might change based on commodities market.

Consuming raw or undercooked meats, poultry seafood, shellfish or eggs may increase your risk of foodborne illness.

Due to licensing requirements and quality control issues, all food and beverage to be served on Hotel property must be supplied and prepared by Hotel.

Hotel does not serve shots of liquor at events.

Custom beverage requests will be priced separately.

Champagne toasts & tableside wines are priced per bottle separate from package bars and/or bars on consumption pricing.

Maximum three options for tableside wine.

Changing bar types will require a pause in service for a minimum of 30 minutes.

See your Event Manager for questions or details.

Group may either reduce or increase the expected number of attendees when giving the final guaranteed number of attendees for each scheduled catered food function by up to 5% without incurring any liability to Hotel for additional costs or supplemental surcharges. If for any reason the notice of the final guaranteed number of attendees is late, then the expected number of attendees for the applicable catered food function will be used for billing purposes.
